

Instructions for Accessing New ET3 Participation Agreement and Implementation Plan

Access your ET3 Portal

The ET3 Model Portal is available for ET3 Model Participants to manage their participation in the ET3 Model and document compliance with the requirements of the Participation Agreement (PA). Participants can exchange documents with the model team, review and confirm their initial ET3 Partner List, notify their Project Officer of model implementation updates, and conduct other administrative tasks. The ET3 Model Portal is not to be used for transmitting quality measures, data submissions, Protected Health Information (PHI), or Personally Identifiable Information (PII).

Please reference the helpful links to the right of this page to learn more about the following (please note that some links are not yet available):

- The ET3 Learning System (CONNECT): Connect with other model participants, ask your peers questions, obtain general ET3 Model documents, view webinar recordings, and stay informed of upcoming events.
- The ET3 Data Portal: Submit required ET3 Model data and updates to the ET3 Partner List (Note: please contact your Project Officer (PO) prior to the availability of the ET3 Data Portal if you need to make updates to your ET3 Partner List.)

The application(s) you submitted in response to the ET3 Model Request for Applications (RFA) is displayed in the table below, as well as your assigned PO and other information specific to your organization.

Please click the "Manage" button below to:

- Review information and documents specific to your organization
- Access, review, sign, and upload the PA
- Review a list of your CMS approved ET3 Partners.

To contact your PO and/or the Model team with questions, please email the ET3 Model Inbox (ET3Model@cms.hhs.gov) and include your Application ID using the format ET3-XXXX in the subject line. This will help us process your inquiry appropriately and efficiently.
